

EUCEET

European Civil Engineering Education and Training

The New EUCEET Homepage

Prof. Dr. Carsten Ahrens

EUCEET

European Civil Engineering Education and Training

Functional Site Objectives

- inform members and interested parties
- represent the work and progress of the management committee and the workgroups
- digital document hub
- professional, modern and elegant design

Enhanced Usability

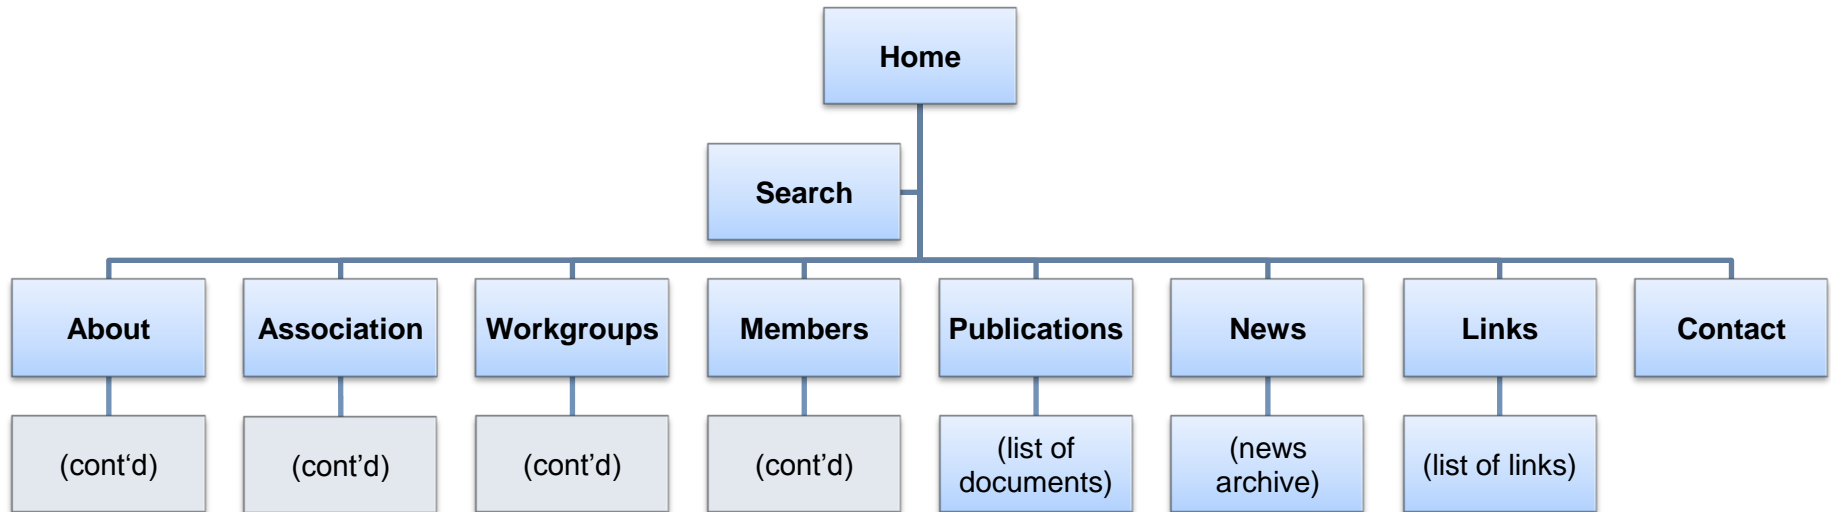

- accessible, clear navigation
- user friendly content management system (CMS)
- browser based CMS to update the content from all over Europe
- each workgroup can update their part of the website

Actions To Take

- collect content (e.g. for “*Links*”)
- train the web content authors (this afternoon)
- update “*Workgroups*”
- ensure regular updates of the site with news

Web 2.0 Features

- Make use of the RSS-Feed
 - allow to pull news from the page instead of pushing news by emails
- Integration of blogs
 - web-logs for interaction/collaboration
 - example: <http://euceet.wordpress.com/>

Preview

The screenshot shows a Mozilla Firefox browser window displaying the EUCEET website. The browser's address bar shows the URL <http://www.euceet.eu/>. The website header features the EUCEET logo and the text "EUCEET European Civil Engineering Education and Training". Below the header is a banner image of a classical archway with the text "Involving leading high education institutions from 29 countries". A navigation menu is visible, including links for Home, About EUCEET, Association, Workgroups, Members, Publications, News, Links, and Contact. The main content area is titled "The Thematic Network EUCEET" and contains the following text: "The only Thematic Network in Europe in the field of Civil Engineering", "Involving leading high education institutions, companies, etc. from 29 countries eligible for support within SOCRATES, as well as research centers, professional associations and trans-european associations.", and "Meeting of the EUCEET III Management Committee, Edinburgh (United Kingdom), June 19th, Agenda available online (REVISED), 14.05.2009 :: [more...](#)". At the bottom of the page, there is a logo for the European Commission with the text "With support of the European Commission -". The browser's status bar at the bottom shows "Fertig" and "1024x768".

Thank you

The screenshot shows a Mozilla Firefox browser window displaying the EUCEET website. The browser's address bar shows the URL <http://www.euceet.eu/>. The website header features the EUCEET logo and the text "EUCEET European Civil Engineering Education and Training". Below the header is a large image of a classical archway at night, with the text "Involving leading high education institutions from 29 countries" overlaid. A navigation menu is visible below the image, with options: Home, About EUCEET, Association, Workgroups, Members, Publications, News, Links, and Contact. The main content area is titled "The Thematic Network EUCEET" and contains the text: "The only Thematic Network in Europe in the field of Civil Engineering". Below this, it states: "Involving leading high education institutions, companies, etc. from 29 countries eligible for support within SOCRATES, as well as research centers, professional associations and trans-european associations." A news item is also visible: "Meeting of the EUCEET III Management Committee" in Edinburgh (United Kingdom), June 19th, with an agenda available online (REVISED) as of 14.05.2009. At the bottom of the page, there is a logo for the European Commission and the text "With support of the European Commission -". The browser's status bar at the bottom shows "Fertig" and "1024x768".
